

Stan Barnaby

Candidate for Southern Region Director

It is imperative to take a serious look at the candidates and evaluate what they bring to the table. Each candidate is passionate about CFA or they would not have declared. I encourage each of you: breeder, exhibitor, club member, and clubs, to elect the most qualified business leader to help reunite the Southern Region. Communication and representation to the board for our Region, as a whole, has been sadly lacking. I will focus to bring our Region's concerns directly to the board in an honest, adamant and straightforward representation of the entire region.

It is reasonable to expect all clubs receive current financial information and business updates that impact our region. When elected, I will make sure our region is provided timely financial reports that reflect the status of our regional business.

My qualifications

- ❖ Breeder & Exhibitor for 54 years, since 1956
- ❖ CFA Allbreed Judge
- ❖ First tenure on the Board as Regional Director, Midwest region, was in the mid 1960's and late 1970's during a period of tremendous growth and expansion.
- ❖ Elected as a Director at Large for 10 years, from 1998 through 2008. I served during a time that necessitated review and change in direction for CFA; a time when rebranding and restructuring was required to develop and support new growth in other directions for CFA to survive.
- ❖ Chairperson of the 2005 Audit Committee which resulted in significant administrative changes for CFA and contributed to a change in direction of financial accountability and reporting procedures.
- ❖ Many years as secretary, officer, and director of several successful show-producing clubs.

Important needs for the Southern Region

If elected to serve as your Regional Director, I will work toward our mutual success by listening and representing your concerns to the Board facing each decision with objectivity and fairness. I am committed to Southern Region goals and believe they can be accomplished if we **ALL** continue to remain focused on what is best for not just our region but for CFA.

As you cast your vote, please consider my candidacy and the future of our Southern Region.

- I will deliver monthly Regional financial and business reports to the clubs.
- I will work to put show scheduling back in the Region where it belongs.
- I will re-establish a united Region by holding Regional Meetings, by communication and actually listening to club and Regional concerns with respect for the entire region as a whole.
- I will prioritize regional events with advanced planning.
