Veterans classes may not be held in conjunction with a six ring, one day show.	The board has recently removed the restrictions that previously had prevented clubs from producing a one day 6 ring show on any Sunday that was not followed by a Holiday which significantly increase the opportunities for clubs to secure a show hall on a date that does not compete with other CFA clubs. The proposed resolution would allow exhibitors to choose to support one or two, one day 6 ring shows on the same weekend. The entry clerk is not required to release any count information other than a preliminary count.	The rationale is the same for this resolution as the previous resolution requiring entry clerks to disclose the count to exhibitors who have entered the show. This resolution goes further by requiring the entry clerk to make the count available over the internet. Using the CFA website to host the preliminary counts means there is a central place where all exhibitors can go to find the counts without bothering the entry clerk. The CFA website already includes a page for preliminary counts and the webmistress already posts those counts when she receives them. Our scoring	Lilac Point Fanciers

The regional assignment for any cat which first scores points within a competitive category at a show occurring after the first full show weekend in January, will be the region listed in the catalog of the first show at which the cat earns points.	Paragraph 9 assigns the region of competition for regional awards based on the owner's selection of the first show that the kitten competes in after the first full show weekend in January versus the region that the kitten has competed in for a significant number of judging rings. The resolution addresses the regional assignment for kittens before and after the first fill show weekend in January in Paragraph 6, and the references to kittens should be stricken from this paragraph. The best measure of merit for a kitten is that obtained by considering many competitions against the kittens in the region where the kitten is primarily shown and not in the region	

			<p>where one competition was conducted. Most exhibitors know this and voluntarily choose to compete for regional awards in their region of residence. Unfortunately, some exhibitors choose to exploit the rules and choose to show their kitten one time in a region where the points they have earned elsewhere will allow them to obtain a win they could not achieve in their own region at the expense of the exhibitors of another region. This allows exhibitors from regions with many shows and large counts to displace regional wins earned by exhibitors in regions with fewer shows and small counts.</p> <p>Requiring that a kitten with owners in multiple regions be shown at least 4 times in the selected region will help verify that the kitten is competitive against the local competition in the selected region and will require that the owners provide some level of financial support to the</p>
